

HOW

ACTION FOR CHILDREN

WORKS

Breakthrough

A Staff Network group

Aims of Breakthrough Group:

- To promote race equality through active involvement and consultation on Action for Children's strategy, policies and guidance on race equality.
- To work closely with the diversity and participation group to raise the profile of race equality across Action for Children.
- To provide the opportunity to share experiences about working at Action for Children.
- To provide support, guidance and signposting where appropriate.
- To provide a members' forum to promote ethnic equality and empower each other.
- To build capacity and developmental opportunities for members.

How do we do this?

- By acting as a role model for our organisational values (Live the Values)
- By actively promoting inclusion, equality and diversity (Live the Values)
- By instigating appropriate challenging conversations (Build Relationships)
- By communicating in a way that is influential and incisive (Build Relationships)
- By mobilising the right resources to deliver results (Plan & Organise)
- By keeping abreast of developments inside and outside the sector (Develop Expertise)
- By presenting the Action for Children vision and strategy in an inspiring manner (Embrace Positivity)
